EXPERIENCE

Visual Designer · Analytical Center under the Government of the Russian Federation

2015–Present (part-time 2015–2021, full-time since 2021) · ac.gov.ru · Remote

- Graphics for all published materials: icon systems, illustrations, reports, presentations, and digital products
- Design of souvenir products and promotional materials
- Additional work on brand identity and web design as needed

Brand Designer → Product Designer · Smartcat

2018–2021 · smartcat.com · Remote

- Owned all brand touchpoints: landing pages, banners, blog design, merch, motion videos, illustrations
- Gradually transitioned to product design: payment & finance flows, UI kit, wireframes, user interviews
- Collaborated with engineering, marketing, and product teams in a fast-growing SaaS company

Visual Designer · Multimedia Holding

2016–2018 · multimediaholding.ru · Remote

- Website and logo design
- Visual materials for festivals and events
- Promotional and print materials
